

Primera Disc Publisher XRP100

Produce your own professional-grade CDs/DVDs/
Blu-ray-Discs with Primera's automated disc
duplicators and printers!

DP-XRP100
DISC PUBLISHER

All XR-Series Disc Publishers are also available with Blu-ray drives.

Primera is a member of the Blu-ray Disc Association and is the world's first manufacturer of automated disc publishers to announce support for Blu-ray Disc technology.

NEW
including
POINT Publisher
Professional
Software!

The Disc Publisher XRP100 is an enhancement of Primera's successful Disc Publisher XR-Series.

Compare the features of the DP-XRP100 with other systems:

- Two input bins for different media types
- Supports 80 mm mini disc media and card CD-Rs (optional kit available)
- High-quality Pioneer® drives
- PTPublisher Software for Windows® XP/VISTA® and Mac OS X
- Network ready using PTPublisher NE™ (optional)
- Free SDK for software integration
- Lowest ink cost per disc in its product class
- Hassle-free operation, no hidden operating or maintenance costs like fixed print heads
- Lockable front door against non-authorized access
- Optional: media dispensing outside the unit in separate kiosk kit (capacity: 100 discs)
- Mountable in 19" wide racks, scalable systems – up to 4 systems can be used on one PC
- 24 months warranty with Hot-Swap option

PRIMERA
TECHNOLOGY EUROPE™

**35 years experience with
more than 1 million sold systems.**

**Reliable. Modular. Upgradeable.
Unbeatable.**

Primera's professional-grade disc publishing systems for CD, DVD and Blu-ray Disc media are ideal for mid- to large-sized companies and organizations including

- **Government and military**
- **Medical records and imaging systems**
- **Banking, insurance**
- **Back-up and archival**
- **High-definition video**
- **Digital movie post production and more**

Whether you are duplicating audio, video, data, software, photos or any other information, the appearance of your finished disc is a direct reflection of your company.

Make a positive, lasting impression with Primera's TuffCoat™ with WaterShield Surface Media. Water-resistant media gives you a powerful new advantage: the ability to print fast-drying, custom graphics that won't wash away and are smudge- and smear-resistant.
