

Restriction of Hazardous Substances (RoHS) Compliance Statement

(rev13, June 2014)

Primera Technology is committed to compliance with all applicable laws and regulations, including any new material restriction requirements that may be adopted under the European Union Recast RoHS Directive, otherwise known as EU RoHS 2, the European Union's restriction of PAHs in Annex XVII of the EU REACH Regulation and China's Management Methods for Controlling Pollution by Electronic Information Products, otherwise known as China RoHS 2

Primera Technology supports the restriction of the four substances identified by the Commission in its December 3rd, 2008 proposal for a revision of the RoHS Directive, specifically:

- Hexabromocyclododecane (HBCDD)
- Bis (2-ethylhexyl) phthalate (DEHP)
- Butyl benzyl phthalate (BBP)
- Dibutylphthalate (DBP)

Primera Technology has an ongoing program to certify compliance of our suppliers with all materials restrictions according to many worldwide "RoHS like" legal requirements.
